## Energy Medicine: The New Frontier

This seminar is designed to teach a comprehensive approach to resolving a broad spectrum of dental/medical issues. Doctor Smith's 53 years of clinical practice provides the research for resolving chronic head, neck, facial and low back pain, autoimmune diseases, congestive heart failure, cancer, MRSA, TMD, vertigo, Lyme, Systemic Lupus, post-concussion syndrome, and much more.

### What the Experts Are Saying

"Thank God we have you!

You are always a million years ahead in healing compared to conventional treatments.

Can't wait for residency courses in advance techniques in the Theraphi Plasma System and CyberScan.

All your training has saved hundreds of lives in my practice. I mean from death. I use your training every day — from the basic nutritional concepts to scalar technology.

Thanks for making a difference and making me make a difference in these times."

Sincerely,  
Your Student Always

Dean- Classical Chinese Medicine and Qigong, Senior Advisor and professor at large, at WONM. He is the Chief Integrative Medicine Doctor, Grandmaster-level in Chinese Medicine, Qigong and Gongfu. The knowledge of Chinese Medicine and holistic therapy that we provide has been passed down in our Ngui Family line for generations,

each next generation inheriting the knowledge given to them by their parents. Only recently, have we begun to start teaching outside the family to non-blood students. Each person who practices is thoroughly before becoming a full practitioner, in respect, empathy, Chinese Medicine, body mechanics, bio-medicine, and bio-energies. He lectures and teaches classes internationally, and also co-authored books with other doctors. He has appeared in radio and tv shows, and has on-line presence. He is knighted in The Order of The Orthodox Knights of John and is a member of North America Martial Arts of Fame.

Doctor Smith is a recognized international authority on craniomandibular somatic disorders with a focus on resolving chronic pain. He is the author of numerous articles and a landmark textbook for professionals, *Cranial-Dental-Sacral Complex*. He has also contributed equally important books: *Headaches Aren't Forever*, *Reversing Cancer*, *Alternative Treatments For Conquering Chronic Pain*, *Remove the "Splinters"* and *Watch the Body Heal*, *Cancer Deconstructed*, and his latest book, *American Idiots*. His concepts integrate osteopathic, chiropractic, medical, dental, physical therapy, and nutritional concepts. Doctor Smith's fifty-three years of clinical research has uncovered several of the major missing links that focus on the dental whole body connection regarding the treatment of cancer, chronic pain, and somatic structural instability. Doctor Smith has a specialty practice in craniodontics, chronic pain and nutrition in Langhorne, Pennsylvania.
